

Gary Hodder

*President
Alberta Conference*

March 19, 2020

Due to the present crisis of the COVID-19 virus and out of an abundance of caution, the Alberta Conference has implemented its "EMERGENCY OPERATION PROTOCOL." Please consider the following adjustments of schedules, concerns, and accessibility:

- 1. Ministries have been mobilized to work remotely leaving only the core staffing on-site.**
- 2. Physical access to Conference office/building will be limited in order to keep proper distances. Please make appointments when possible.**
- 3. Do not leave your home if you are feeling unwell - self quarantine.**

We thank you for your understanding and your continued support. We solicit your prayers as we offer ours on your behalf .

We will update as needed.
